STATEMENT OF UNITE HERE ON IMMIGRATION REFORM  
April 6, 2006

We understand that bipartisan negotiations are underway in the Senate to break the logjam on immigration reform. This is a positive development. We are hopeful that this spirit will continue through the many steps remaining in the legislative process. However, at this critical time, we ask senators to withhold their support until there is a final deal that assures a bipartisan commitment to the agreement all the way through conference.
